- Attention to Detail
- Time Management
- Strong Communication
- HTML, CSS
- JavaScript
- React
- Canva
- WordPress Web Development
- Problem-Solving
- Team Collaboration
- Quick Learner
- Customer Service

PROFILE

Enthusiastic and detail-oriented professional with strong organisational and problem-solving skills eager to apply my abilities in an administrative and assessment role. A self-motivated and dedicated learner with experience in maintaining accuracy, organisation and efficiency. My background in web development and volunteering has strengthened my attention to detail, data management skills and ability to work in fast-paced environments. A quick learner who adapts easily and is keen to contribute to a structured and collaborative assessment team.

EXPERIENCE

BIMPE TECHNOLOGIES LIMITED
